CULE is gearing up for a new round of Bargaining and it is so exciting to see so many members running for the Bargaining Team it is always empowering to see an engaged CULE membership with all their ducks in a row. Good Luck to all candidates.

I am offering for the CULE 1 Bargaining Team Member I decided to run for the position because I would like to contribute to building on what the last Bargaining Team achieved in a tough round of bargaining.

I would like CULE to enhance our gains in Human Rights we need to build our union and break down taking all barriers regardless of classification.

I am proud of the work that all CULE members do to make the labour movement stronger.

I ask for your support because I want to work at the bargaining table to improve our working conditions break through the concrete ceiling ensure that all CULE members are treated with respect and dignity.

If elected I will work in unision with all members and will be accessible and accountable to the membership through consultation.

I thank you for your consideration and I ask for your vote.

In Solidarity
