

Dear CULE II Members:

My name is Marion Kirin and I am offering to re-stand for the CULE II Member At Large position.

I would like to extend my gratitude and appreciation to my Nominator Colette Mann and Seconder Hetty Alcuitas.

For those who know me or have heard about me, you would know that I am a no nonsense type of person. I am opened to assist with any needs, not afraid to take up issues and confront anyone I need to in order to resolve issues.

At present, the issues of our members against the employer are at an alarming high rate. We need to continue pushing and challenging the employer. My involvement in my Union CULE and knowledge of past discussions, decisions and challenges have been very helpful in resolving grievances.

I have been an active union member since 1997 – just months following my employ with the PSAC. Some of my contributions have included:

- CULE Secretary
- CULE II VP
- CULE Bargaining Team Member
- CULE Grievance Committee
- CULE Convention Committees
- Joint Employment Equity Committee CULE Rep
- Several other ADHOC committees
- CULE II Member At Large
- Mobilizing Committee

As CULE II Member at Large, I have been working with the CULE II VP on many pressing matters. Evidence of the hard work is manifested in the resent tentative agreement gains for CULE II.

My passion, Union principals and truthfulness are qualities I offer to the CULE membership. I believe in the work of our Union and I hope to continue to work with the Executive and the membership in creating positive changes and bringing fairness and respect to all CULE members.

Thank you in advance for your support and vote of confidence.

In Solidarity,

*Marion Kirin*
